Minutes of the Contract Review Board

	16 April 1969
PRESENT:	
1.	called the meeting to order at 1000 hours, and presented
	Briefing No. 13 on Incentive Contracting.
_	1
2.	Announcements were made on the following topics:
	a. The Government Furnished Property Survey is now in its final
	ges. It will be presented to the Board for consideration of clearing up
the	technical aspects of property now in the hands of the contractors. A
	nt of technical interest resulting from this survey was the fact that 7 the 10 contractors at the were trying
01 1	
το (dispose of property, but instructions were lacking from the technical onitors. Base contracts have tended to accumulate property from their
	ek orders, and attention is normally lessened when this happens.
too	R officers, and attention is normally responded when this improve.
